### “Deluxe – by Guido Maria Kretschmer”

#### Deluxe interior fashion

As a fashion designer, it is not difficult for Guido Maria Kretschmer to even give walls a completely new character. The “Deluxe – by Guido Maria Kretschmer” wallpaper collection lives up to its name. Inspired by the world of high-quality textile design, it presents deluxe interior fashion.

Glamorous patterns impress with the most intricate details. Delicate ornamentation sprinkled with subtle glitter particles is reminiscent of handmade lace. The partial trimming with the finest genuine glass pearls, shimmering in the light like diamonds on the wall, creates a stylish and timeless atmosphere. One of this collection’s many highlights is the combination of delicate floral motifs and glossy mirror foil.

The combination of these elegant motifs with glossy effects and graceful plain-coloured structures underscores the exquisite and high-quality character of this designer collection. The range of classic colours adds further extravagance and charm to the non-woven wallpapers. Glossy metallic shades like gold, silver and copper encounter soft, powdery variations of cream and beige or dramatic black and silver grey.

Deluxe – Fashion highlights for an exquisite and extraordinary living ambience.

**Until: 2021 | Content: 35 hot embossed non woven wallpapers, 11 with real glass beads,
