

## **PRESS RELEASE**

### **New Erismann collection “CRYSTAL COLOURS”**

#### **Multi-faceted glimmer**

The wallpapers in the Crystal Colours collection create a mysterious and glamorous ambience. They conjure up the perfect balance between elegance and playfulness in the rooms. The walls shimmer luxuriously and play sparkingly with light and shadow.

Romantic, elegant or also trendily bold – the sophisticated plain texture with stardust look comes in 18 seductive colours. Those who like it extravagant can choose between midnight blue, black or dark purple. Delicate lilac or rosé, on the other hand, turn things playful and sensual. A wide range of natural shades rounds off the colour chart.

**Available until: 2019 | Material: hot embossed non woven wallpapers | Content: 18 wallpapers**
