**BEAUTY**  
CURVES

**BEAUTY**  
CURVES

The trend **BEAUTY CURVES** is an homage to organic forms, natural colours and soft surfaces, with a focus on comforting beauty.

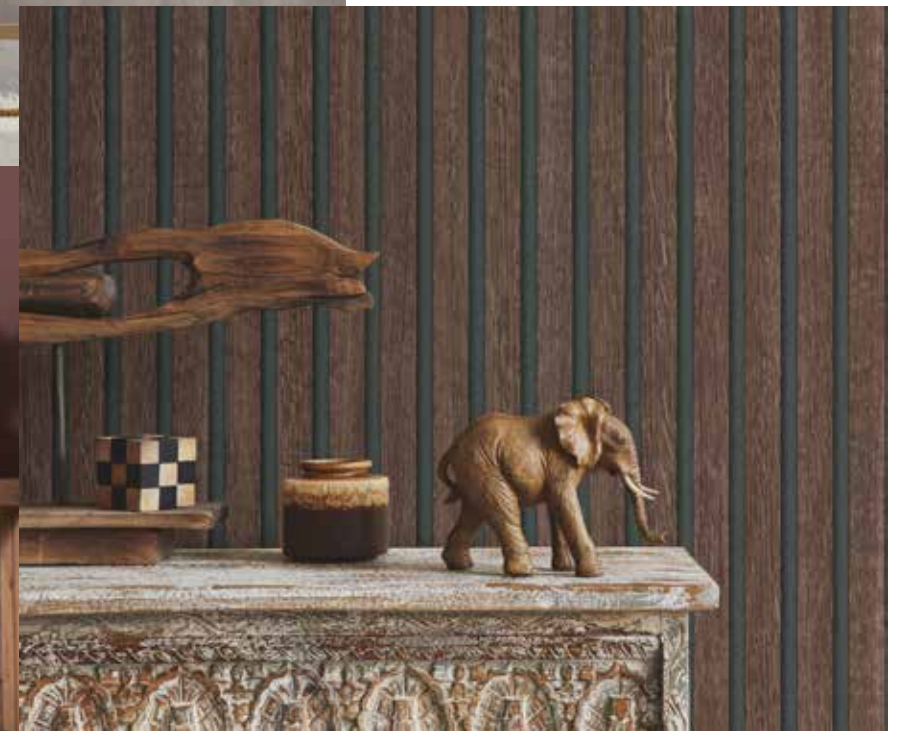

# CLOSE TO NATURE

Nature-inspired materials and warm earth tones merge harmoniously in the CLOSE TO NATURE trend, which combines elegant charm and sustainable design.

COLOURS

# SHINE & CHIC

From lustrous metallics to sparkling crystals and luxurious textures – the SHINE & CHIC trend transforms every room into an opulent living experience.

# SHINE & CHIC

# TREND LEAVES

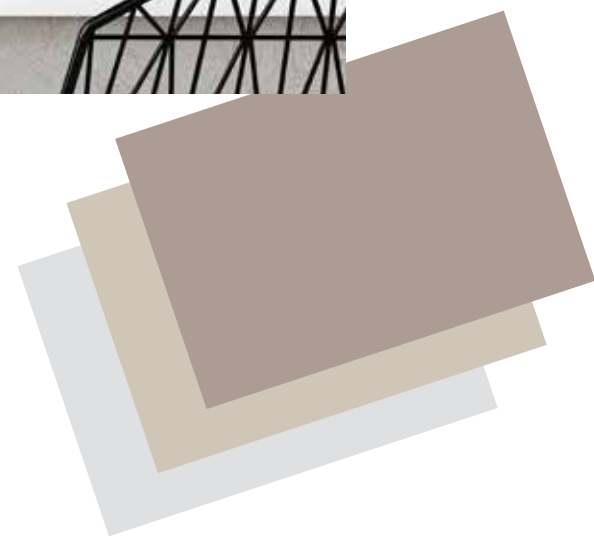

The LEAVES TREND celebrates the beauty and diversity of leaves with a vivid combination of colours and shapes. It creates an expressive yet harmonious atmosphere.

# TREND LEAVES

# TIMELESS COMFORT

The **TIMELESS COMFORT** trend draws inspiration from the natural world. The concept of living in close contact with nature is brought to life and rooms become places where you can stop and slow down.
